EXCLUSIVE CHEF-HATTED WEDDINGS WITH SENSE, SOUL, AND SIGNATURE FLAIR

At Potager, weddings are reimagined as an immersive escape — blending privacy, beauty and chef-hatted cuisine in the heart of the hinterland.

With just one couple at a time, every celebration is designed as a deeply personal experience. Exchange vows in our gardens, beside the pool, or overlooking sweeping ocean and valley views, then gather your nearest and dearest around a table curated by Head Chef Luis do Carmo — whose career spans Michelin-starred restaurants across Europe. Whether a vibrant feasting menu or an elegant degustation paired with wines, dining at Potager is crafted to be as memorable as the moment itself.

Your sanctuary is Potager House — a private four-bedroom retreat with a pool, sauna, firepit, music system, and lush creek walks. It's a space made for both celebration and restoration, offering pre-wedding dinners with a private chef or evenings at Potager's chef-hatted restaurant, and mornings spent in quiet wellness and relaxation.

At Potager, weddings are more than a day. They're an intimate, soulful escape — where every detail is designed with care, and every moment feels unforgettable.
